■ ABOUT

The Health Tourism Development Center of Islamic Countries (HTDC), dedicated to fostering collaboration and networking among health and health tourism professionals across nations, is proud to host “**The 13th Business Networking Summit on Health & Health Tourism**” on January 29–30, 2025, in Dubai. This prestigious event is organized in collaboration with leading international organizations and associations active in the related fields.

The summit will feature keynote speeches, engaging panel discussions, hospital and clinic visits, award ceremony, and networking session. It aims to highlight the UAE's rapid growth in the health and health tourism sectors, showcase investment opportunities, and present the nation's capabilities to the international audience of industry leaders and stakeholders.

■ OBJECTIVES

01

Showcasing the UAE's Health & Health Tourism Capabilities:

Highlighting the UAE's robust potential for investment in the health and health tourism sectors, this initiative aligns with the nation's vision for fostering international collaboration and innovation in the industries.

02

Exchanging International Experiences:

Hosting insightful sessions led by global professionals and industry leaders, the event provides a platform to share valuable international experiences, benefiting participants and local stakeholders alike.

03

Networking and Building Partnerships:

Encouraging meaningful connections, the event serves as a catalyst for collaboration between healthcare and health tourism professionals, industry experts, and investors, paving the way for transformative partnerships in the related fields.
