CENTER OF ISLAMIC COUNTRIES

ABOUT **EVENT**

Health Tourism Development Center of Islamic Countries (HTDC) proudly presents Med Tour Connect, a unique series of international networking sessions designed to foster global collaboration in the fields of health tourism. This innovative platform brings together **over 500** health tourism companies from around the world with hospitals, medical centers, and specialized enterprises from various countries.

KEY **OBJECTIVES**

- Establishing sustainable and goal-oriented connections in health tourism.
- Identifying shared capacities and defining international partnerships
- Showcasing the capabilities of companies and medical institutions to new global markets

**HEALTH TOURISM DEVELOPMENT
CENTER OF ISLAMIC COUNTRIES**

ABOUT ORGANIZER

The **Health Tourism Development Center of Islamic Countries (HTDC)** is a non-governmental organization founded in 2015, dedicated to advancing the health tourism industry and showcasing the unique capabilities of countries.

HTDC strives to enhance the quality of related health and wellness tourism services, foster knowledge exchange, and build robust networks among key stakeholders across nations. Through its affiliated centers and companies, HTDC implements a wide range of programs and initiatives designed to promote best practices, strengthen industry collaboration and relationships, and drive sustainable growth.

By fostering effective partnerships and creating opportunities for mutual benefit, HTDC is committed to shaping a thriving health tourism ecosystem that delivers value for all participants and members while contributing to the global success of the industry.
